THE COUNCIL FOR TOBACCO RESEARCH–U.S.A., INC.

P=5

February 5, 1973

Grant Application No. 763AR2

To: The committee comprising Drs. Andervont, Gardner, Huebner

Subject: John W. Parker, M.D., University of Southern California School of Medicine, Los Angeles
Renewal application No. 763AR2
"Immune Suppression by Cigarette Smoke and Chemical Carcinogens"

History

CTR support of this study began in 1970.

This request is for $37,950 for the third and final year of a three year program. The current grant is $29,890.

Documents Submitted (attached)

1. Application dated January 29, 1973.

2. Progress report 1/25/72 to 1/25/73.

3. Manuscript "Periodate Induced Lymphocyte Transformation . . .", Parker, O'Brien, Steiner and Paolilli; in press "Experimental Cell Research".

(The remaining publications mentioned on the last page of the application are available if you so request.)

Comment

Dr. Richard L. O'Brien of this group presented "Lymphocyte Transformation Induced by Sodium Periodate" at our Macrophage Conference November 30 and December 1, 1972.
